

Upcoming Meeting

Mark Walters, of Mark's Machinery will be the speaker for the September meeting. In addition, your entries for the President's 2x4 Challenge are due and will be voted on at this meeting.

President's 2x4 Challenge

It's time for another 2x4 challenge. **Entries are due at the September meeting** and will be voted on by the members present at the meeting. First place will receive \$50 and a photo in the newsletter.

The rules are the same as last year:

- Use one 8 foot 2x4 of any species; work with either hand or power tools.
- The only wood used must come out of a single 8' 2x4 ($1\frac{1}{2}$ x $3\frac{1}{2}$).
- Metal hinges, nails and/or latches are ok.
- No other materials (except fasteners).
- Clear finishes only. Stain/dye is ok, but no paint.
- No CNC machines or laser cutters.
- Any other hand tools or power tools are ok. You can carve, resaw, bend, turn, etc.

That's it! This should accommodate any skill set here and the only limitation is your creativity. We had several amazing projects last year and hope members will come up with even more imaginative projects this time.

August, 2019

Upcoming Meetings...

Sep Mark Walters
Mark's Machinery

Meetings are held at

Steen Hall
Park Hill Presbyterian Church
3150 John F. Kennedy Blvd.
North Little Rock, AR 72116
7 p.m.
Unless otherwise noted

Dues...

Dues are \$25.00 per year, payable at the meeting to Secretary-Treasurer Angie Heifner.

Meeting Recap

Peter Scheidt, the Windgate Assistant Professor of Furniture and Woodworking at the University of Arkansas Little Rock, gave us a walk through of the wood shop and showed off their new Wood-mizer portable saw mill. Peter also showed us the plans and the work-in-progress of the dehumidifier/kiln they are building.

Additional Photos

Plans for the kiln.

These were cut on the Wood-Mizer. Beautiful pieces that would have otherwise gone to the landfill.

Kiln in progress.
