

Upcoming Meeting

None yet. The business of the holiday season combined with the dearth of recommendations from all of us has left us with no presentation for the January meeting. Remember, the club belongs to all of us, not just to the board or officers. It is our responsibility to help with presentations and ideas for presentations. So, if you have something you would like to present, let Tom know ASAP. Not just for January but also any future meetings.

Wood for Sale

David Harding has some cherry for sale. Approximately 8 to 10' long, 6 - 7 quarters thick, air dried for five years. Contact David at 501-837-2222 for more details.

November Meeting Recap

Doug Stowe spoke to us remotely from his house in Eureka Springs about his love for trees, woodworking, box building and the Eureka Springs School for the Arts.

Doug founded the Eureka Springs Guild of Artists and Craftspeople and is one of the founders of the Eureka Springs School of the Arts. Doug has more articles which will be published in upcoming *Fine Woodworking* magazine issues.
