

Upcoming Meeting

Hello All

We've all been through a difficult time with COVID and all that came with it, but we're excited to resume live meetings of our club this month. **This month's meeting will be held on Tuesday, June 7th from 6:30 to 8:00 pm at the Innovation Hub in North Little Rock.** The board is considering moving the monthly meetings to the Hub so this is your chance to see the facility and see what they have to offer our club and, conversely, what we can offer to them in terms of experience and mentorship. *Errin Stanger*, Executive Director of the Innovation Hub, will give a short presentation followed by a tour of the facility. The **Arkansas Regional Innovation Hub** is located at 204 E 4th St North Little Rock, AR 72114. Also, please bring any items you want to show off for our show and tell! Hopefully, there will be a lot of great things produced over the pandemic. I hope to see everyone there!

July Meeting

For our July meeting, we will have *Mr. Steven W. Hurd* of **Westwork Designs**. Mr. Hurd is a native of Central Arkansas and 1985 graduate of the University of Arkansas School of Architecture. His love of architecture and woodworking started early in his life. He combined his love of playing with building blocks as a child (and adult) and his design skills to design architectural building blocks, word toys and other interesting pieces of wood craft. Hurd's Cathedral Blocks and Castle Blocks have been sold world-wide and are on display in the Learning Museum of the Castle de Saint Fargeau, in France, and Saint Canice's Cathedral in Kilkenny Ireland. His Cathedral blocks, along with other toy designs, appeared in the annual Toys by Artist show at the Arkansas Arts Center's Decorative Arts Center. His Crossword Cubed Puzzle Toy is now in the Center's permanent collection. Inspired by his success in artisan toy-making, Hurd continues to develop his unique designs. He has also begun to explore works on paper and photography as an outlet for his natural artistic gifts and creativity.

June, 2022

In This Issue...

- **Program**
- **Treasurer's Report**
- **Current Officers**

Upcoming Meetings...

June Errin Stanger

Future Meetings

The club is trying to arrange one of our upcoming monthly meetings at the UALR woodshop. As many of you know, Peter Scheidt of UALR has graciously hosted us on two previous occasions and he always has something good to show us. Please reach out to the club if you have any ideas on speakers or are interested in presenting a topic! Don't be scared! We need your help!
